2026 FAME SUMMER MUSIC PROGRAM

The **FAME Summer Music Program** is a dynamic, full-filled, and immersive experience designed for **middle and high school** students interested in music and exploring it as a creative and technical discipline. Students will have the opportunity to develop their musicianship while gaining **hands-on experience** in **music technology, recording, production, and instrumental performance**.

Open to students of all levels with **at least one to two years of musical experience**, this week-long program offers an inspiring environment where creativity, collaboration, and innovation come together.

Our instructors include educators and artists affiliated with the University of Maryland, Juilliard School, Berklee College of Music, and others.
